be taken. Members of this committee have stated that if the recently elected city commission so desires there is small likelihood that the league will fail to adopt the resoution.

When the Clikens' league ticket entered the city eampaign, statements were issued that candidates, in the event of their election, desired the organization to continue and to lend to the city officials its support in all civic affairs. It is known that members of Mayor-cleet Rowlett Faine's official family yet desire such a condition.

Mayor-elect Paine and Commissioners John B. Edgar, Thomas H. Allen, Charles R. Shashon and horace Johnson will attend the meeting Monday night to handshake and participate generally in a lengue get-together.

This is the first meeting of the league scored a sweeping victory at the polis. Bolton Smith, chairman of the executive committee, will preside at the meeting which will be held in the parlors of the Hotel Gayoso. It was anticipated Monday afternoon by several leaders of the league that every member of the various committees, which took part in the campaign will be present.
